

PLATES & LETTERING

Domed signs - ROYALPLAST®

Our classic for durability and versatility

Our renowned ROYALPLAST® product line is known for its durability and weather resistance. It is virtually indestructible and will last a lifetime.

ROYALPLAST® is characterized by its versatility. The outstanding feature is the coating with a transparent, lenticular and self-healing protective layer made from a special polyurethane mixture.

We offer different variants for your individual requirements: with relief embossing, as lettering, with **sharp edges (Letratec)**, partially with **stop varnish** or for curved surfaces (Convex).

Discover the versatility and quality of our ROYALPLAST® product line and put your trust in a classic. Please contact us for further information and individual advice.
