

SAMPLING

Exemplary reference samples

Sample service: Your source of inspiration for customized solutions

Our sample service offers you exemplary reference samples for orientation and inspiration. You get access to examples from your own industry and can also discover new ideas and approaches from other sectors. We also provide you with adhesive samples to help you determine the right adhesive system for your specific requirements.

With over 75 years of experience and more than 10,000 satisfied customers, you benefit from our extensive know-how and industry expertise. Our reference samples show you how our solutions work in practice and help you make the best decisions for your projects.

Use our free sample service to get to know the diversity of our solutions. Our experienced team will be happy to advise you and help you select the right samples for your needs. You will gain valuable insights and can ensure that you find the best solution for your requirements.
