

PLATES & LETTERING

Metal lettering - FINOCHROM®

Fine precision, without compromise

Experience FINOCHROM®, the ideal marking solution for filigree lettering, logos and symbols made of nickel or stainless steel. Our products embody the essence of precision and sophistication.

With FINOCHROM®, even the finest nuances, such as sharp corners, textures and narrow lettering, can be realized extremely cleanly and precisely - and usually without the need for tooling costs. The technology enables a quality that knows no compromise.

Our state-of-the-art manufacturing techniques and materials ensure that your vision comes to life with FINOCHROM® - every detail is carefully and precisely realized to exceed your expectations.

Experience the perfection of FINOCHROM® and be inspired by our passion for precision!
